

# Year of the Rat

## Directions, Challenges & Solutions

### Quick start:

1<sup>st</sup> tip –

- 🌀 **Remove your saltwater cures** from all areas from previous years
- 🌀 **Take a plastic bag, cover the jar completely, wrap it up and throw ALL of it in the trash**
- 🌀 **Cleanse all your cures by exposing them to the Full Moon all night or in direct sunlight for 4 hours**
- 🌀 **You can sprinkle with Sea Salt**
- 🌀 **Get rid of all Ba-Gua mirrors – start with fresh ones if you choose to use them**

2<sup>nd</sup> tip –

- 🌀 **Water Features**
- 🌀 **No New Water Features in the NORTHEAST** section of the yard
- 🌀 **Good locations for water features outside are: Southwest & East**
- 🌀 **Inside: No water feature in the North, only still water in the Southwest**

3<sup>rd</sup> tip –

- 🌀 **Most challenging directions – Place saltwater cures, 6-rod wind chimes, or spiritual icons (Quan Yin, an angel, Jesus, Buddha, a cross, Spirit Animal, etc.) in these directions – Choose one you like**
- 🌀 **THREE this year - South, East, North**

4<sup>th</sup> tip –

- 🌀 **Good Travel Direction – Southwest**

5<sup>th</sup> tip –

- 🌀 **VERY SPECIAL “MULTIPLYING STAR” - Manifesting your Future Desires Direction - West**
