

# Year of the Rat

## Directions, Challenges & Solutions

6) **SOUTHEAST** – This is the “Star of Heaven” section. It’s excellent for career success and wealth.

The energy is fantastic in this area. Spend as much time as possible here to create the life you desire. Bring in fresh flowers from your garden, farmers market or florist.

**Modern Cures** (You only need to **add** ONE of these to the area): Quartz Sphere or Geodes, images of wealth made from metal, like Gold Coins & Silver Dollars, or 6 coins in a bowl with clear water.

Place a spiritual icon, religious symbol, Guardian angel or Animal Protector

**Traditional Cures:** Dragon-headed Turtle with a coin in its mouth, One or Six Hollow Gold Ingots (light-weight, non-metallic), non-metallic Gold Buddha.

In a bedroom, the Traditional Cure: A Brass Wu Lu, who’s nickname is “Giver of Life” - Modern Cure: Spiritual Icon of your choice

Do not add Fire Element (the color red, triangles or pyramid-shapes, burning candles). Remove at least some Fire Elements if you can. If you can’t remove, add more Metal to offset the Fire Element.

If this area is a bedroom, reduce Metal energy with blue colored items. Put harmonious relationship images like Mandarin Ducks, Dragon & Phoenix, cranes, or Peach Blossoms.
